Agenda Items	
Summary of last meeting Mission/Outreach Pastoral Care	
Points from previous meeting	
The role of the CW to have a different name in the new single parish as continued names would potentially be confusing for many people	
Agreed summary of the meeting	
<p>We spoke at length about the role of the LCC LCC's will have a Terms of Reference which will define their responsibilities and relationship to the PCC There may be an annual service at which acknowledgement takes place of the previous year, along with an annual election of the membership of the LCC It was agreed that that the LCC was the main driver at a local level and the ToR needs to reflect this – '...the LCC has the plans and the PCC provides accountability, support and monitoring...' LCC's have responsibility for identifying pastoral care needs within their local community and signpost to appropriate people. The PCC has oversight over the wider parish teams, such as Pastoral Visiting, Prayer etc... Whilst it was acknowledged that safeguarding was the responsibility of all, the PCC has responsibility for ensuring the safeguarding policy is being exercised appropriately across all of the LCC's and teams.</p>
