| <p>ARB briefed the group regarding some of the progress from the Finance Group – a draft of their proposals will be ready by 21st November for us to comment on.</p> <p>We spoke about the nominations of the new churchwardens and agreed to change the name to Pastrow Wardens and the local assistant Wardens to CHURCH NAME Wardens. We also agreed that these posts would need to be commissioned by a bishop in the diocese for the beginning of their term of office at a special service organised by the parish.</p> <p>We agreed that there would need to be two standing committees attached to the single parish PCC – a standing committee to undertake the finance and administration of the parish and then the Ministry Team, who would undertake the mission and ministry of the parish.</p> <p>We discussed the scenarios that need to be added to the framework paper:</p> <p>What is the reason for the proposed changes? Who makes decisions about matters affecting my local church? What happened about my giving to the church? What will change? What are the advantages and what might be the disadvantages? How does this proposal encourage others to get involved?</p> | |
